What is CAP Network Ireland?

CAP Network Ireland

We Champion Sustainable Agriculture and Rural Development

- We are a **national network** dedicated to supporting sustainable agriculture and development in Ireland.
- **Our members** include farmers, advisors, researchers, rural communities, agencies and other interested stakeholders.
- **Our role** is to promote networking, innovation and funding opportunities under the CAP Strategic Plan.

What does CAP Network Ireland do?

Within Ireland's CAP Strategic Plan, we support farmers and rural communities to create a sustainable future for all.

Our Work Covers Four Key Areas:

Research

Communication
& Marketing

Management &
Implementation

Innovation
Hub

CAP Network Ireland is managed by three organisations

Irish Rural Link is a non-profit, rural Irish advocacy cooperative campaigning for sustainable rural development in Ireland and Europe.

ERINN Innovation is an Irish SME that specialises in bridging the gap from science to policy, industry and society.

Munster Technological University is a multi-campus technological university with expertise in agricultural and rural development.

About the EU Common Agriculture Policy

The CAP is a common policy for all EU countries

Key Objectives

- Ensure a fair income for farmers
- Vibrant rural areas
- Preserve landscapes and biodiversity
- Climate change action
- Increase competitiveness
- Protect food and health quality
- Support generational renewal
- Environmental care
- Improve the position of farmers in the food chain
- Foster knowledge and innovation

To achieve the CAP Strategic Plan in Ireland, DAFM unveiled the new 'Green Architecture' with 3 core elements

**CAP
Network
Ireland**

SUSTAINABLE
AGRICULTURE
AND RURAL
INNOVATION

1) Conditionality

Critical requirements for farmers receiving CAP payments.

2) Eco Schemes

Voluntary agri-environmental scheme encouraging farmers to go beyond the baseline.

3) Interventions

Initiatives to drive long-term improvements.
