

PROJECT MANAGEMENT WORKSHOP

Questions and Answers

1. What happens if a change of management or scope of project?

- Must have a valid reason, cannot deviate too much from original application.
- DAFM to be notified regarding any changes a.s.a.p. and it will keep track of their rewarded pitch application.

2. Can the project avail of other funding?

- Yes, as long as it's not for the same actions or purposes that the Department are funding.

3. Can there be collaboration between projects?

- Yes, the contacts are available in the booklet.

4. Will the project be audited?

- Yes, all projects will be audited, with the larger ones being audited every year.

5. Can CAP or DAFM provide means for EIP Projects to share information (ex. Checks for double funding; ecological data)?

- CAP Network willing to facilitate.

6. If there were any reports required by the EU?

- Each EIP must complete a template required by the EU notifying the EU about the project and containing the name of the project and contact details. The template will be provided to each EIP in the next few weeks for completion and to be returned to EIP section.
